BUYER INFORMATION

Milwaukee Community Crossroads, formerly Milwaukee Christian Center (“MCC”) is a non-profit organization that has been a cornerstone of positive change in Milwaukee for over a century, addressing community needs while empowering individuals to build brighter futures. MCC is looking to purchase seven City of Milwaukee vacant lots in 2026 and 2027, for construction of new single-family homes through their YouthBuild program.

PROPOSED USE

MCC’s YouthBuild program, which dates back to 1975, equips young adults (ages 18-24) with hands-on training in skilled trades such as carpentry and construction. These young people, many of whom face significant barriers to education and employment, gain the credentials, and experience they need to succeed in the workforce through YouthBuild. Under expert guidance, vacant properties are transformed into safe, affordable housing for families, contributing to neighborhood stability. MCC plans to sell the homes to owner occupant buyers once completed.
