SUBJECT: 3RD ALD. DIST. - FILE #220060
INSTALL STOP SIGN ON NORTH DOUSMAN STREET
AT EAST BURLEIGH STREET

Dear 3rd Aldermanic District:

This is in response to a request from a local resident to install the above-captioned traffic control. Our traffic engineering staff has investigated this request and found that sight obstructions exist on the northeast corner of the intersection in the form of bushes that would reduce the safe approach speed and thereby warrant the above-captioned control.

We therefore, in the interest of public safety, recommend the installation of the stop control and will prepare the necessary legislation for the next Public Safety and Health Committee meeting.

Sincerely,

City Engineer
