Honorable James A. Bohl, Jr.  
Alderman, 5<sup>th</sup> Aldermanic District  
Room 205, City Hall

SUBJECT: 5th ALD. DIST. - FILE #141143  
INSTALL NO PARKING ON THE SOUTH SIDE OF  
WEST APPLETON AVENUE FROM  
WEST HOPE AVENUE TO A POINT 75 FEET WEST

Dear Alderman Bohl:

This is in response to your request on behalf of a local resident to install the above-captioned parking restriction.

Our traffic engineering staff has investigated this request and found that eastbound motorists on West Hope Avenue have a difficult time seeing traffic traveling southbound on West Appleton Avenue when vehicles park close to the driveway. Therefore, in the interest of public safety, we recommend installing this restriction to increase sight visibility.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer

Dear Alderman Murphy:

This is in response to your request on behalf of local residents to install the above-captioned parking restrictions.

Our traffic engineering staff has investigated this request and found that motorists have a difficult time seeing traffic to their left traveling on West Blue Mound Road, West Wisconsin Avenue and North 92<sup>nd</sup> Street when vehicles park close to the corner. Therefore, in the interest of public safety, we recommend installing these restrictions to increase cross traffic visibility at these locations.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,
