Re: 2008 Façade Loans

This communication is written as follow up to your request for pending 2008 Façade Loan projects and 2009 Façade Loan activity.

In 2008, three Façade Loans awarded; the projects are listed below:

Façade Project	Address	Façade Loan
Icon Development	225 East Wisconsin Avenue	\$50,000
Icon Development	227 East Wisconsin Avenue	\$50,000
TMB Development Company	Brewery Project 1243 North 10 th Street	\$20,000

The 2009 Façade Loan activity is projected to be comparable to the 2008 Façade Loan activity due to a number of large projects in the Brewery Development area as well a focus on attracting and retaining retail in the central business district.
