

June 27, 2006

To the Honorable Common Council
Zoning, Neighborhoods and Development Committee
City of Milwaukee

Dear Committee Members:

File No. 060150 is a resolution permitting a minor modification to the Detailed Planned Development (DPD) known as Milwaukee Women's Pre-Release Facility located on the West Side of North 6th Street and South of West Keefe Avenue, in the 6th Aldermanic District.

This resolution allows for the addition of privacy slats in the existing chain link fence and the planting of larger arborvitae along portions of the North 7th Street frontage and portions of the southerly property line of the site. This modification will afford more privacy to persons using the outdoor recreation area.

Since the proposed change is consistent with the approved Detailed Planned Development, the City Plan Commission at its regular meeting on June 26, 2006, recommended approval of the subject resolution.

Sincerely,

Rocky Marcoux
Executive Secretary
City Plan Commission of Milwaukee
