Jim, accept our apologies for the error. The cost for signage is \$9,700 and not \$97,000. We are not asking for \$ just wanted you to be aware of the cost. Call if you have any questions.

Commissioner,
Correction to the dollar amount below an extra zero was added to the estimate. It should read \$9,700.
Sorry for the inconvenience.
Thanks

Commissioner,

It will be approximately \$97,000 for the sign replacement. We are looking at 3 to 4 weeks lead time (we need to order materials and fabricate signs).

Please let me know as soon as possible in order to place corresponding order.

Thanks

Rollin

Rollin, please estimate the cost associated with the street name change as per the attached resolution. Also, provide a timeline for accomplishing that.

Gentlemen –

Please see the attached?

How long would it take to prepare and install signs along a street section of this size and what would be the cost?

Ald. Coggs is asking and is deliberating a delayed effective date to facilitate this and better convenience those affected.

Thank you.
