RE: 2831 North Sherman Blvd.

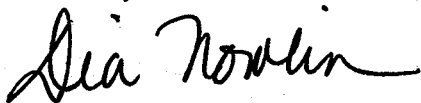

Dear City Clerk:

This letter is forwarded to you as an appeal of the Historical Preservation Society's decision of December 21, 2000.

Currently, I live at the Sherman Street address, but I was not apprised of the Board's decision, or given a chance to appeal. As tenant, I cannot afford to replace the roof with the same materials. However, a three-tab asphalt roof would be more economically feasible. Thus, I am requesting that this appeal might be expedited to thwart any further damage to my living quarters, which is becoming increasingly unstable due to the damaged roof.

I am awaiting your response to this letter that outlines the follow-up procedures.

Sincerely,

Dia Nowlin
