RE: Shelter Funding

Dear Mr. Mahan,

It is Milwaukee County's intention to release \$99,900 to the City of Milwaukee for the purposes of homeless shelter funding through the Milwaukee Continuum of Care. Due to federal budget cuts and several recent rule changes at HUD, we hope that these funds will be able to assist homeless shelters through this transition. Funds will be available immediately. If you have any questions, feel free to contact me at 414-278-5106.

Sincerely,
