- [251276](#) Resolution granting permanent historic designation to the Second German Episcopal Church, part of the Brewers Hill National Register Historic District, at 140 W. Garfield Avenue, in the 6th Aldermanic District.

Sponsors: THE CHAIR

Alderman Bauman clarified that the sole purpose of this meeting is to determine whether this structure meets the ordinance criteria for historic designation. Mr. Askin said the Second German Methodist Episcopal Church was originally built in 1887. In the 1920's it became the Epworth Methodist Church. The Church is in Sherman's Addition, platted in 1837. There has been no serious change in the foot print over time. Despite some renovations in the 1930's, it has not moved or had any major additions. The designation boundary has been brought up for this property as there are 3 buildings on this tax parcel. Staff is recommending a boundary for now of the existing lot lines North, South, West and East and the point that is 1 foot east of the eastern north point of the church. If a certified survey map is filed between now and Common Council, the Council can amend the file to reflect that boundary. The two houses are not been nominated and are not being considered. Built in 1887 by architect Herman Paul Schnetzky, the Church open in 1888. In 1928 Epworth Methodist Church at 4th and Center merged with 2nd German. In 1939 Hugo Haeuser renovated the Church. Due to the demographic change and the neighborhood, the church was sold an All Black Baptist Congregation and the congregation left for the suburbs in 1963. As they integrated, Epworth got fairly involved with Civil Rights. They hosted Civil Rights speakers and planning sections for the Music MPS boycott in

1965. They were one of the founding members of Northcott Neighborhood House. They hosted James Farmer. They closed in 1972 due to a suspected arson fire. There are 2 architect involved in this property" Herman Paul Schnetzky and Hugo Haeuser, both from Germany. Staff recommends the historic designation based on f-1, f-5, f-6, f-9.

Mr. Morales moved, seconded by Mr. Jarosz, to open the public hearing. There were no objections.
