Honorable Cavalier Johnson
Alderman, 2nd Aldermanic District
Room 205, City Hall

SUBJECT: 2ND ALD. DIST. - FILE #171207
INSTALL STOP SIGNS ON WEST BECKETT AVENUE/NORTH 75TH STREET
AT WEST HOPE AVENUE

Dear Alderman Johnson:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that due to the geometric configuration of the intersection the above-captioned control is warranted. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

Jeffrey S. Polenske, P.E.
City Engineer

Honorable James A. Bohl, Jr.
Alderman, 5th Aldermanic District
Room 205, City Hall

SUBJECT: 5TH ALD. DIST. - FILE #171207
INSTALL STOP SIGNS ON NORTH 88TH STREET
AT WEST STARK STREET

Dear Alderman Bohl:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that sight obstructions exist on the northwest and southwest corners of the intersection in the form of a house and a bush that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

Jeffrey S. Polenske, P.E.
City Engineer

Dear Alderman Bohl:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that sight obstructions exist on the northeast and southeast corners of the intersection in the form of a bush and a hill that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Dear Alderman Borkowski:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that a sight obstruction exists on the northwest corner of the T-intersection in the form of a bush that would reduce the safe approach speed and thereby warrant the above-captioned control. We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.
