

May 25, 2006

James Owczarski  
Common Council Administration Manager  
City Clerk's Office  
Room 205, City Hall  
City of Milwaukee

Dear Mr. Owczarski

Under the terms of the 2004-2006 labor agreement between the City of Milwaukee and Plumbers' Local 75, AFL-CIO, the wage rates for employees in the Landscape and Irrigation Specialist classification covered by this Agreement are tied to the wage rates between the Union and the Contractors' Association for Journeyman Plumbers for the time period from June 1, 2006, up to and including May 31, 2007. Local 75 has provided us with the new rates that are effective June 1, 2006.

In order to implement the wage rate changes effective Pay Period 13, 2006, as required by the labor agreement, the Salary Ordinance needs to be amended. Please open a file for this purpose.

If you have any questions, please contact Chuck Schumacher of my staff at extension 3371.

Sincerely,

Troy M. Hamblin  
City Labor Negotiator
