The Licenses Committee will then make a recommendation to the Common Council. The Common Council must grant the license before it may be issued.

RC

I understand proof of payment for all license fees must be on file in the License Division before the license may be issued and the license must be issued and posted in my establishment prior to opening for business.

RC

I will not operate my food business until the license has been issued and posted in the establishment.

I hereby agree that I will comply with the applicable sections of the Wisconsin State Statutes, Administrative Code and the Milwaukee Code of Ordinances regarding the operation of weighing and measuring devices.

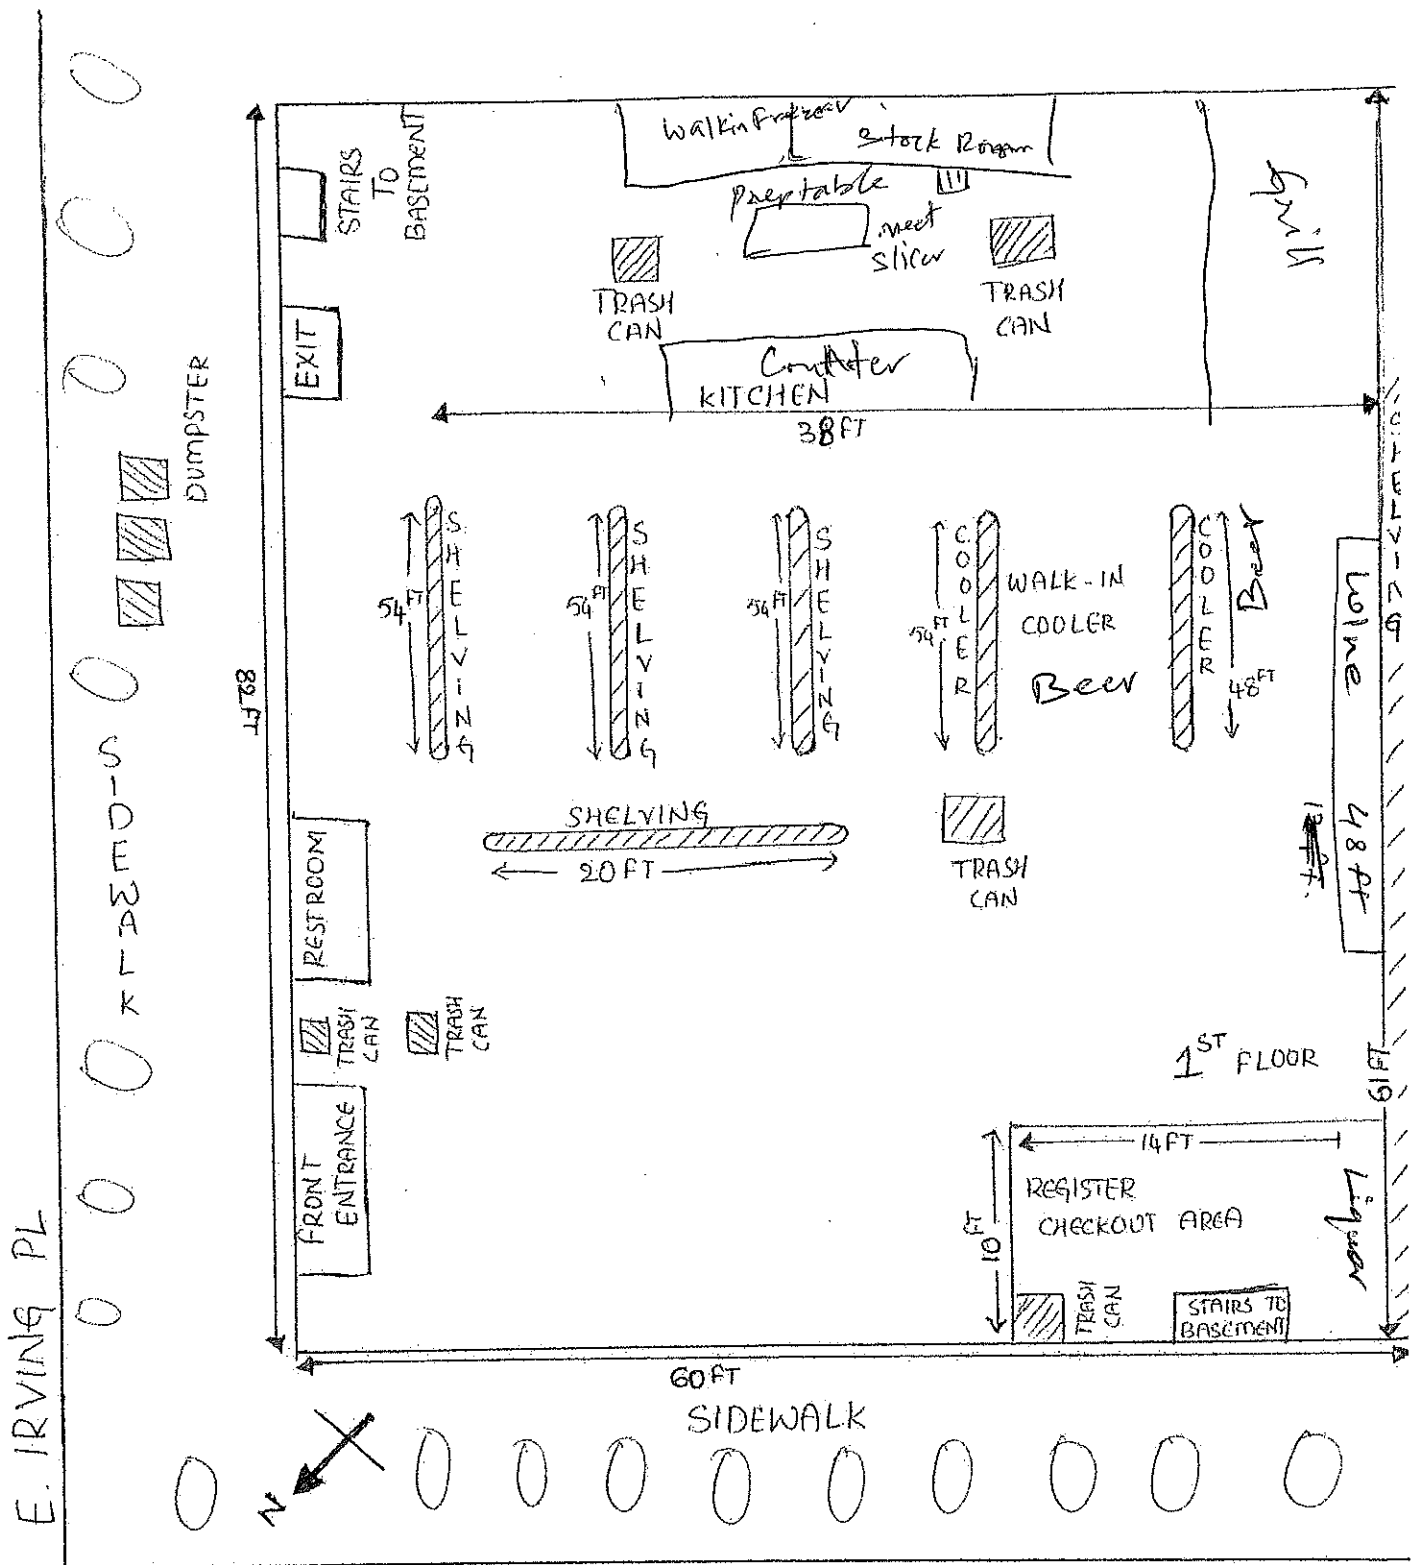

I understand that all devices must be operated within the specifications, tolerances and other technical requirements set forth in the National Institute of Standards and Technology Handbook 44. I understand that the license for which I am applying must be posted on the premises or in my vehicle prior to opening for business or operating the device.

I understand that these device licenses are not transferable (with the exception of scanners). If the device is replaced or needs to be resealed, I must apply for and receive a new license so that an inspection of the device can be performed prior to its use.
