

My name is Payton Wade and I am a junior at Divine Savior Holy Angels High School. I am also a member of New Testament church and I'm heavily involved in their youth program as a leader in the youth choir. I am also involved in professional theater at First Stage Children's Theater where I was a part of three musicals. I am currently participating in my second school musical and I am part of an auditioned show group, at school, called the Angelaires as well. I am active in my school's athletic program too and I've played on their soccer team for two years. I am also a student recruiter for my school as well as a mentor to current freshman and I also have a 3.1 GPA. I play the piano as well and do Voice Overs for various companies such as Children's Hospital, through Madison Productions. This past summer I had the pleasure of being involved in Mayor Barret's Earn & Learn program as an intern at city hall. But I am most proud to call myself an entrepreneur as I go into my third year of running a dog walking business and my second year of babysitting.
