Regarding:

Your Class B Tavern, Food Dealer's, and Weights & Measures License Applications as agent for "Lakes Venture LLC" for "Fresh Thyme Farmers Market" at 470 E sant St.

There is a possibility that your application may be denied for one or more of the following reasons: The recommendation of the committee regarding the application shall be based on evidence presented at the hearing. Per MCO 85-2.7-4, probative evidence concerning whether or not a new license should be granted may be presented on the following subjects: whether or not the applicant meets the municipal requirements, the appropriateness of the location and premises where the licensed premises is to be located and whether use of the premises for the purposes or activities permitted by the license would tend to facilitate a public or private nuisance or create undesirable neighborhood problems such as disorderly patrons, unreasonably loud noise, litter, and excessive traffic and parking congestion. Probative evidence relating to these matters may be taken from the plan of operation submitted with the license application, if any, but shall not include the content of any music. Evidence regarding the fitness of the location of the premises to be maintained as the principal place of business, including but not limited to whether there is an overconcentration of businesses of the type for which the license is sought; whether the proposal is consistent with any pertinent neighborhood business or development plans, or the location's proximity to areas where children are typically present. The applicant's record in operating similarly licensed premises; and whether or not the applicant has been charged with or convicted of any felony, misdemeanor, municipal offense or other offense, the circumstances of which substantially relate to the activity to be permitted by the license being applied for or any other factor which reasonably relates to the public health, safety or welfare may also be considered. See attached police report or correspondence.

Notice for applicants with warrants or unpaid fines: Proof of warrant satisfaction or payment of fines must be submitted at the hearing on the above date and time. Failure to comply with this requirement may result in a delay of the granting/denial of your application.

Failure to appear at this meeting may result in the denial of your license. Individual applicants must appear only in person or by an attorney. Corporate or Limited Liability applicants must appear only by the agent designated on the application or by an attorney. Partnership applicants must appear by a partner listed on the application or by an attorney. If you wish to do so and at your own expense, you may be accompanied by an attorney of your choosing to represent you at this hearing.

You will be given an opportunity to speak on behalf of the application and to respond and challenge any charges or reasons given for the denial. No petitions can be accepted by the committee, unless the people who signed the petition are present at the committee hearing and willing to testify. You may present witnesses under oath and you may also confront and cross-examine opposing witnesses under oath. If you have difficulty with the English language, you should bring an interpreter with you, at your expense, so that you can answer questions and participate in your hearing.

You may examine the application file at this office during regular business hours prior to the hearing date. Inquiries regarding this matter may be directed to the person whose signature appears below.

January 15, 2016

City of Milwaukee License Division City Hall 200 E Wells Street Room 105 Milwaukee WI 53202

To Whom It May Concern:

This letter is concerning a loading zone permit that was applied for on N. Farwell Avenue. We would like to appeal the decision. We are concerned about both the traffic and the parking situation on Farwell Avenue. However, we feel it is critical to our business situation to secure a loading zone for both the safety and security of the pedestrians and neighbors.

It is both inconvenient and frustrating for us to use our back alley for unloading. The space is so narrow that any neighbor or parking lot client is often forced to wait in order to get to the main road. This has caused not only inconvenience, but also has led to hostile words and threats from people. Much of our inventory is delivered by fresh food wholesalers. Furthermore, it is impossible for trucks to get into the alley, which means that all of our wholesale deliveries are forced to park in the middle of the road, which not only obstructs traffic, but leads to slow downs and other dangerous situations for pedestrians, bicyclists and others trying to navigate around these huge trucks.

During the daylight hours there are often many empty spaces available on Farwell Avenue; it is unlikely that allotting a loading zone in the area would actually cause any disruption, it should, in fact, improve traffic patterns in the area and free up spaces for business clients.

We will be pleased to come before the council and discuss this matter in more detail.

Thank you for your consideration,

Tehmina Akbar

COMMITTEE MEETING NOTICE

AD 03

PARSONS, Donald D, Agent Simple Milwaukee, LLC 2124 N FARWELL Av

Milwaukee, WI 53202

You are requested to attend a hearing which is to be held in Room 301-B, Third Floor, City Hall on:

Tuesday, March 15, 2016 at 09:00 AM

Regarding:

Your Class B Tavern - Service Bar Only License and Food Dealer's License - Transfer Applications as agent for "Simple Milwaukee, LLC" for "Simple Cafe" at 2124 N FARWELL A

There is a possibility that your application may be denied for one or more of the following reasons. The recommendation of the committee regarding the application shall be based on evidence presented at the hearing. Per MCO 85-2.7-4, probative evidence concerning whether or not a new license should be granted may be presented on the following subjects: whether or not the applicant meets the municipal requirements, the appropriateness of the location and premises where the licensed premises is to be located and whether use of the premises for the purposes or activities permitted by the license would tend to facilitate a public or private nuisance or create undesirable neighborhood problems such as disorderly patrons, unreasonably loud noise, litter, and excessive traffic and parking congestion. Probative evidence relating to these matters may be taken from the plan of operation submitted with the license application, if any, but shall not include the content of any music. Evidence regarding the fitness of the location of the premises to be maintained as the principal place of business, including but not limited to whether there is an overconcentration of businesses of the type for which the license is sought; whether the proposal is consistent with any pertinent neighborhood business or development plans, or the location's proximity to areas where children are typically present. The applicant's record in operating similarly licensed premises; and whether or not the applicant has been charged with or convicted of any felony, misdemeanor, municipal offense or other offense, the circumstances of which substantially relate to the activity to be permitted by the license being applied for or any other factor which reasonably relates to the public health, safety or welfare may also be considered. See attached police report or correspondence. Possible denial because: This proposed location is in an area that has previously been found by the Common Council to be over concentrated with alcohol outlets. Attached is the concentration of alcohol beverage outlets in the area map existing at the time of the determination of the over concentration based on an address of 2219 N Farwell Avenue. The Licenses Committee will consider concentration of alcohol beverage outlets as one question regarding the sultability of this location to be licensed as an alcohol beverage establishment. You may present evidence supporting your application. One issue that evidence should address is whether the licensure of this location is appropriate in light of the concentration of alcohol beverage outlets.

Notice for applicants with warrants or unpaid fines:

Proof of warrant satisfaction or payment of fines must be submitted at the hearing on the above date and time. Failure to comply with this requirement may result in a delay of the granting/denial of your application.

Failure to appear at this meeting may result in the denial of your license. Individual applicants must appear only in person or by an attorney. Corporate or Limited Liability applicants must appear only by the agent designated on the application or by an attorney. Partnership applicants must appear by a partner listed on the application or by an attorney. If you wish to do so and at your own expense, you may be accompanied by an attorney of your choosing to represent you at this hearing.

You will be given an opportunity to speak on behalf of the application and to respond and challenge any charges or reasons given for the denial. No petitions can be accepted by the committee, unless the people who signed the petition are present at the committee hearing and willing to testify. You may present witnesses under oath and you may also confront and cross-examine opposing witnesses under oath. If you have difficulty with the English language, you should bring an interpreter with you, at your expense, so that you can answer questions and participate in your hearing.

You may examine the application file at this office during regular business hours prior to the hearing date. Inquiries regarding this matter may be directed to the person whose signature appears below.

Limited parking for persons attending meetings in City Hall is available at reduced rates (5 hour limit) at the Milwaukee Center on the southwest corner of East Kilbourn and North Water Street. Parking tickets must be validated in the first floor information booth in City Hall.

PLEASE NOTE: Upon reasonable notice, efforts will be made to accommodate the needs of disabled individuals through sign language interpreters or other auxiliary aids. Office of the City Clerk License Division

Regarding the application for a beer and package liquor store, I have several objections.

The need for carry-out liquor is already met in this area by Tina's market and Smith's Liquor. An additional store would cause these businesses a loss in clientele, and that clientele would be likely to bring more trash, cigarette butts, and parking stress to our street.

Farwell ave has struggled for decades to draw and maintain businesses that are vibrant and attractive for visitors to the street, while protecting the comfort and security of those of us who live here.

I'd like to see Farwell ave continue to strive for a lively and diverse business life, and to try emulate the loveliness of our sister street, Prospect ave.

Subject: 1556 North Farwell Avenue - New License Application

Dear Sir/Madam:

I have been at this

location since August, 1980 and familiar with the entire area and particularly, Brady Street and Farwell and Prospect Avenues. There is limited parking from Brady south to Juneau on both sides of the street. There is a continuous flow of traffic southbound on Farwell Avenue which includes a bike lane. When one attempts to cross Albion in either direction, be it pedestrian or vehicle, because of the constant traffic flow, one must wait. There is also a bus stop on the northwest corner of Farwell and Albion which also impedes traffic and visual observation. There are numerous establishments on Brady and Farwell, including Glorioso's and Koppa's that provide the same items to be sold at the new establishment. The proposed premises will have a direct adverse effect on the health and safety and welfare of the public and the neighborhood.

RE: Proposed Beer Market and Bharat Mart, 1556 N Farwell Ave -- Application for Class A Liquor and Malt and Food Dealer - Convenience Food Store License

we object to this application. A business of the kind proposed is not well suited to this location, due in part to very limited street parking. Moreover, the proposed business would not fill any unmet need: There are already numerous retail establishments within a close radius where liquor, beer, and convenience foods can be purchased. Another convenience store enterprise started within this block in the past couple of years has gone out of business.

Further, it is our opinion that the attractive quality of this neighborhood, which has been improving steadily in recent years, would not be enhanced by the addition of this business--essentially a "gas station store" without the gas pumps. It would almost certainly bring increases in noise, litter, parking congestion, and traffic congestion and hazards, as traffic tends to move very fast on this stretch of Farwell.

In light of all this, we sincerely request that this application not be approved. Thank you.

This is an plead to please do not allow a liquor license for 1556 N Farwell. This Area is peaceful and historical being a block away from the lake and million dollar condos. Allowing a liquor store will bring allot of unwanted crime. I am a Milwaukee business owner and promote small business however I been in different areas of the city and seen what a liquor store can do to the neighborhood. I'm objecting I just spent a huge investment putting a Boutique at 1531 W Farwell also a high end furniture store is across the street. There are also boutique style restaurants in the area. The building I'm in houses men with mental health problems. These men like to hang out in front of the building. The owner of the building requested they not loiter with that being said this convince store would attract them. I'm hoping to see other high end retailers in the area. Please don't allow a license for liquor convince. I'm born and raised in Milwaukee and want to see our city move forward and be a beautiful safe great place to live.

Please contact me and keep me updated on any meetings

regarding an application for a liquor and convenience store to be located at 1556 N. Farwell Avenue. I am writing to object to this application. We already have several businesses in the area that currently offer the items this location would sell. There is a Walgreens, CVS, Tina's Market, Koppa's, Smith Beer & Liquor, Glorios's, Metro Market, two Pick 'N Saves and a gas station on the corner of Ogden & Farwell. Not only do these established businesses meet the needs of the area, they do so while maintaining responsible business practices and they coexist without negatively impacting the sales of each other. Further saturating the area with a similar business could affect this delicate balance. In addition, there is a AL ANON Club around the corner located at 1521 N. Prospect Avenue. While its members must navigate through the challenges of addiction and temptation on a daily basis, allowing a liquor store to set up shop within a stone's throw is not, in my opinion, the most civically responsible. Thank you for your time in considering my concerns.

Tuesday, March 15, 2016 at 9:00 AM

To whom it may concern:

The above application has been made by the above named applicant(s). This requires approval from the Licenses Committee and the Common Council of the City of Milwaukee. The hearing before the Licenses Committee will take place on 3/15/2016 at 9:00 AM, in Room 301-B, Third Floor, City Hall. If you wish, you may provide testimony at the hearing regarding the request; see below for further information. You are not required to attend the hearing. Once the Licenses Committee makes its recommendation, this recommendation is forwarded to the full Common Council for approval at its next regularly scheduled hearing. Please review the information below and if you have further questions regarding this process, please contact the License Division at (414) 286-2238.

Important details for those wishing to provide information for the Licenses Committee to consider when making its recommendation:

- 1. The license application is scheduled to be heard at the above time. Due to other hearings running longer than scheduled, you may have to wait some time to provide your testimony.
- 2. You must appear in person and testify as to matters that you have personally experienced or seen. (You cannot provide testimony for your neighbor, parent or anyone else; this is considered hearsay and cannot be considered by the committee.)
- No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are present at the committee hearing and willing to testify).
- 4. Persons opposed to the Ilcense application are given the opportunity to testify first; supporters may testify after the opponents have finished.
- 5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.)

- 6. You may then provide testimony.
- a. Include only information relating to the above license application.
- b. Include only information you have personally witnessed or seen.
- c. Provide concise and relevant information detailing how this business has affected or may affect the peaceful enjoyment of your neighborhood.
- d. If by the time you have the opportunity to testify, the information you wish to share has already been provided to the committee, you may state that you agree with the previous testimony. Redundant or repetitive testimony will not assist the committee in making its recommendation.
- 7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
- 8. Business Competition is not a valid basis for denial or non-renewal of a license.

Please Note: If you have submitted an objection to the above application your objection cannot be considered by the committee unless you personally testify at the hearing.
