Office of the city clerk:

I would like to file a claim against the city of Milwaukee. My name is Manessa Sims. On March 2, 2022 approximately 4p my home located at 4331 N 68th St. Milwaukee WI 53216 was raided. When my home was raided my front entry door and screen door was completely destroyed. I would like to be reimbursed for my front door, screen door, locks, cost of Uhaul to get replacement doors and the cost I had to pay to get the doors installed.

I believe the city or it's employees acted negligently because I could have been killed as in the case of Breonna Taylor. I was never given the opportunity to safely open the door. They kicked the door in and all I saw was white dots on my chest. They came in full military gear with military weapons. Way too extreme.

Sincerely,

Manessa Sims
