Dear Mr. Leonhardt:

Please find enclosed a certified copy of a resolutions adopted by the Commissioners of the Public Debt at their meeting of April 21, 2004. These resolutions accept the bid for \$66,235,000 General Obligation Short-Term Promissory Notes, Series 2004 N2, and \$24,200,000 GO Corporate Purpose Bonds, Series 2004 B1 (the "Bonds"). These Bonds are being issued for the purpose of financing various public improvement projects and fiscal requirements of the City. These resolutions further establish required future debt service levies associated with the payment of periodic interest on and redemption of these Bonds.

The issuance of the Bonds was authorized by the Common Council via Corporate Purpose Resolution File Number 031383 and 031396 adopted on February 10, 2004, and 031471 adopted on March 2, 2004 (the "Resolution"). The Resolution established Common Council debt issuance parameters which, if met, pre-approved certain actions of the Public Debt Commission to accept bids, establish debt service required irrevocable tax levies for future years to meet such debt service and similar aspects of the borrowing process. The Common Council debt issuance parameters were met within the competitive bidding process.

The Resolution also required that such debt issuance information be "entered upon the permanent record of the Commissioners of the Public Debt and formally communicated to the City Clerk ...". This letter and certified copy of the Commission's resolution is intended to meet the latter part of that Common Council directive. If there are any questions, or if we may be of any additional assistance, please feel free to contact this office.

Respectfully submitted,

W. MARTIN MORICS
Comptroller and Secretary
