To the Honorable
the Common Council

Subject: Resolution relative to providing sewer billing services for
the City of Greenfield

Dear Council Members:

The City of Greenfield has requested the Water Works to investigate if the capability exists to bill the sewer user (MMSD) charge to Greenfield residents.

Greenfield is a retail water customer of Milwaukee and the Water Works presently issues a water bill to each Greenfield account. The Water Works has the ability within its system to include the sewer user charge on the water bill on behalf of the City of Greenfield.

The attached resolution grants authority to the Water Works to perform sewer billing services for the City of Greenfield for a fee. Your favorable consideration of this resolution is respectfully requested.

Sincerely,

Carrie Lewis, Superintendent of Water
Works

Mariano Schifalacqua, Commissioner
Department of Public Works
