Dear Alderswoman Coggs:

This is in response to your request on behalf of Midwest Church of Christ at 609 West Center Street to install the above-captioned parking restriction.

Our traffic engineering staff has investigated this request and found that parishioners exiting the churches parking lot have a difficult time seeing traffic traveling eastbound on West Center Street when vehicles park close to the driveway. Therefore, in the interest of public safety, we recommend installing this restriction to increase sight visibility.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.
