

COMMITTEE CHAIR

- Zoning, Neighborhoods and Development Committee

COMMITTEE MEMBER

- Steering and Rules Committee
- Public Works Committee

JAMES A. BOHL, JR.
Alderman, 5th District

September 16, 2014

To the Honorable Common Council
Public Works Committee
City of Milwaukee

Dear Committee Members:

On September 16, 2014, the Skywalk Design Committee met to discuss files 140686, an ordinance granting an air space lease to Northwestern Mutual Campus Connection Project for a bridge connecting the Van Buren Street office building, 727-733 N. Van Buren Street and 805 E. Mason Street Avenue for the premises at 727-733 N. Van Buren Street, and file 14092, an ordinance granting an air space lease to Northwestern Mutual Campus Connection Project for a bridge connecting the North Office Building, 818 E. Mason Street and 825 E. Mason Street Avenue.

Although the Committee did recommend approval of both files and referral to the Special Committee on Air and Subterranean Space Lease Structures and the City Plan Commission, it did have some concerns. The members want to see more details and color of the buildings and skywalk, an evening view to show illumination of the skywalks, and more detail in the street view and backdrop for both skywalks. This information should be provided at the City Plan Commission meeting prior to action by your esteemed body

Sincerely,

A handwritten signature in black ink that reads "Jim Bohl".

Ald. James Bohl, Jr., Chair
Skywalk Design Committee
