To the Public Works Committee

Subject: Common Council Resolution File Number 151355

Dear Honorable Members:

Returned herewith is Common Council Resolution File Number 151355, being a resolution to grant a special privilege to JWK Management LLC to install and maintain a seasonal storm enclosure in the public right-of-way for the premises 1228-1232 East Brady Street.

The applicant is requesting permission to install a storm enclosure on behalf of its tenant, a restaurant, to keep inclement weather outside during the winter months. The 5-foot wide storm enclosure projects 3 feet 5 inches into the north, 13-foot wide sidewalk area of East Brady Street. The structure will consist of a metal frame covered by clear vinyl. There will be a doorway on the east side.

We are not aware that the presence of the storm enclosure will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will allow said storm enclosure to occupy the public right-of-way.

Sincerely,

Jeffrey S. Polenske, P.E.
