Subject: Concern Regarding Appointment to Director Position

You don't often get email from jdejesus1iesi@gmail.com. [Learn why this is important](#)

To Whom It May Concern,

I am writing as a concerned citizen to express my opposition to the appointment of Karin Tyler as Director of the Office of Community Wellness and Safety. In the past, there have been concerns about a lack of communication, including unanswered calls and emails, as well as questions about budget management. In addition, there is an open investigation related to the office and concerns about her behavior, which should be taken seriously when considering leadership for such an important role.

For these reasons, I believe it would not be appropriate to appoint someone who has previously held this position or similar roles while there are still unresolved concerns and an active investigation. The community deserves leadership that is transparent, responsive, and fully trusted to serve the public. Not more of the same ole same ole where nothing gets done.

Sincerely,

A Concerned Citizen

Jamie De Jesus Sr
