

December 10, 2002

To the Honorable
the Common Council

Subject: West Capitol Drive (STH 190)
North 60th Street to
North 35th Street

Dear Council Members:

Common Council File No. 991982, adopted May 19, 2000, authorized and directed the Commissioner of Public Works to execute a project agreement with the Wisconsin Department of Transportation (WISDOT) for the improvement of West Capitol Drive (STH 190, 57) between North 60th Street and North 35th Street with Federal and/or State Aid under the State Trunk Highway Program. It is now necessary to begin preliminary engineering on the project which is scheduled for construction in 2005.

We have, therefore, prepared the attached resolution which authorizes and directs the City Comptroller to transfer funds and establish the appropriate accounts for the preliminary engineering for the segment of West Capitol Drive from North 60th Street to North 35th Street. The estimated cost for preliminary engineering is \$345,000, of which the City's share is \$86,250.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Mariano A. Schifalacqua
Commissioner of Public Works
