From DOA-Budget and Management Division

July 26, 2001

Ref: 01013(17)

Common Council File 010489 contains a resolution approving an amendment to the group life insurance policy between the City and United Wisconsin Group. This amendment implements increased supplemental group life benefits as negotiated in the labor agreements for DC-48, the Association of Municipal Attorneys, the Association of Scientific Personnel, Local #195, Local #139 and Staff Nurses Council. These labor agreements allowed members to increase supplemental coverage in \$1,000 increments to 1.5 times his/her annual salary or \$100,000, whichever is greater.

Since the employee pays for the additional coverage provided under this amendment, approval of this amendment has no fiscal impact to the City.

RECOMMENDATION: APPROVE FILE 010489 APPROVING AN AMENDMENT TO THE GROUP LIFE INSURANCE POLICY.
