Subject: Support for amending SOP 460

Hello,

My name is Paul Vang. I am a resident of Milwaukee (53223) and wanted to voice my support of the changes to SOP 460 to eliminate the use of chokeholds by MPD police.

I also wanted to oppose the promotion of Sgt. Blum. His second promotion would send the wrong message to officers and community, that is, an officer can be silent and tacitly support the abuse by officers while still being rewarded with promotions.

All the best,

Paul Vang
