Dear Ms. Frautschi:

As you are aware, this file has been scheduled before the Zoning, Neighborhoods and Development Committee twice and both times it has been held based upon concerns from Ald. Bauman.

I just wanted to update you on its status. On March 30, representatives of the real estate industry, DCD, the City's Development Center and members of the public met with Aids. Murphy and Bauman to discuss the proposed ordinance. The discussion was productive and it was agreed that DCD would work on a new draft to incorporate the various issues raised.

If this file is scheduled again, you will receive a notice letting you know the date and time of the Committee meeting.

Sincerely,
