City of Milwaukee

Zoning, Neighborhood, and Development Committee

200 E. Wells Street

Milwaukee, WI 53202

Committee Members:

Please accept this letter to be on record in support the Resolution Relating the Permanent Designation of the South Second Street Historic District in the 12th Aldermanic District (#160539). We feel this neighborhood of Walker's Point is undergoing strong redevelopment much of which is due to the historic roots of this area. This was one of the important aspects on which we based locating our business here. With other businesses in the Walker's Point, we believe the historic fabric is a vital asset to be preserved. We ask the Zoning, Neighborhood and Development Committee approve this Resolution. Thank you.
