Subject: ORD-19-03984 ; 930 N 31st

Inspector Jordan,

Chad from Mad City Windows came in yesterday to work out a resolution. Their company appears to be taking responsibility on behalf of their client. He requested seven weeks to prepare drawings for an appropriate replica window and produce it. To give everyone adequate time with a cushion, I am requesting the order be extended out 90 days from today before any further fines would accrue.

Thank you,
