SUBJECT: 7<sup>th</sup> ALD. DIST. - FILE # 081279  
INSTALL STOP SIGNS ON WEST NASH  
STREET AT NORTH 55<sup>TH</sup> STREET

REMOVE YIELD SIGNS ON WEST NASH  
STREET AT NORTH 55<sup>TH</sup> STREET

Dear Alderman Wade:

A review of the intersection of West Nash Street and North 55<sup>th</sup> Street has revealed the need to change the present yield control to a stop control, based on crash data received from the Milwaukee Police Department, which indicates an increase in accidents at this intersection.

We therefore, in the interest of public safety, recommend the installation of the above-captioned traffic control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer

INSTALL STOP SIGNS ON WEST ORIOLE DRIVE  
AT NORTH 32<sup>ND</sup> STREET

Dear Alderman Hamilton:

This is in response to a request we received from a local resident to install the above-captioned traffic control restriction.

Our traffic engineering staff has investigated this request and found that the accident data received from the Milwaukee Police Department revealed an increase in accidents at this intersection that would warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.
