Narrative

Actors entered fenced in City parking lot. Actors forced open locked cargo area of truck and pried open tool box. Actors removed a large amount of Snap-On tools. Actors broke off rearview mirror breaking windshield after breaking passenger window. Actors also broke out the windshields of a Jeep and a squad removed from service. Actors tore out a radio from a garbage truck which was found in the parking lot.

REPORT

In the matter of: ABANDON PROPERTY

To: Linda HAYNES

CAPTAIN OF POLICE

This report was written by PO John CALDWELL, Squad 91E, District One.

On 04-30-05, at 6:44pm Squad 91E was dispatched to N. Water St. & E. St. Paul Ave. to investigate recovered property. Upon arrival I spoke to David L. Hecht, W/M, 04-08-42 of 214 Luedtke Ave. Racine WI. 53405, phone # 262-488-0135. David stated that while he was boating on the river near S.16th St. on the Menomonee River he observed numerous tools in crates that seemed to be hidden under the bridge. I then called dispatch who called the Coastguard to check out the area. Coastguard Boat# 247136, BM-2 GANZER, Glenn and his crew retrieved the tools and conveyed them to my location where I took possession of the property and inventoried it under Inv# number 290163.

It was also noted that the nearest garage or auto repair shop was the City Garage (MG) on Canal St. The bridge where the tools were located was behind the City Garage (MG).
