To the Public Works Committee

Subject: Common Council Resolution File Number 060295

Dear Honorable Members:

Returned herewith is Common Council Resolution File 060295, being a petition from La Causa, Inc. requesting a special privilege to construct and maintain two overhead cables, one to cross West Greenfield Avenue, and one to cross South 8<sup>th</sup> Street.

The applicant owns three buildings at the intersection of West Greenfield Avenue and South 8<sup>th</sup> Street: 804, 809, and 735-39 West Greenfield Avenue. The two overhead cables, one crossing West Greenfield Avenue and the other South 8<sup>th</sup> Street, are to connect these buildings for phone and computer services. The cable crossing West Greenfield Avenue will be a minimum of 20 feet above grade, while the cable crossing South 8<sup>th</sup> Street will be a minimum of 26 feet above grade.

We are not aware that the presence of said overhead cables will have an adverse effect on the general use of the public right-of-way. Therefore, we have prepared the attached special privilege resolution, which, if adopted, will allow said cables to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer
