RE: C.I. File No. 1030-2013-739
Communication from NICOLE WEST

Dear Ms. West:

We have received your claim in the amount of \$630.00, relating to damage to the downspouts and siding of your garage on/about January 14, 2013 when you allege that it was struck by a city garbage truck in the alley behind your residence located at 1618 West Wright Street.

Our investigation reveals that the Fleet Driving Instructor who investigated this matter noted that the overall damage is not consistent with being hit by a garbage truck. In addition, there was no paint transfer on the downspouts and siding of your garage. Finally, none of our drivers reported doing the damage. There is no evidence to support your belief that a city garbage truck caused the damage. As such, the City cannot accept liability. Therefore we are denying your claim.

Very truly yours,
