Re: Ordinance Change Sections 101-5.5 and 81-80

Dear Members:

As a result of a review of the ordinances by the Department of Public Works, the Milwaukee Police Department and local trucking firms, changes to the permit procedure for oversize vehicles have been recommended. These changes alter the size requirements necessary for obtaining a permit for oversize trucks and allow for multiple trips to be performed under a single permit. To accomplish this purpose, we have prepared for introduction a resolution to change ordinances 81-80 and 101-5.5 of the Milwaukee City Ordinances.

Very truly yours,

GRANT F. LANGLEY
City Attorney
