### Skills

- I am a leader that knows how to organize and direct a team to achieve common goals as a whole. My understanding of business and real estate gives me the edge in redeveloping a business district to stabilize and foster growth.
- I take pride in creating new and exciting businesses where people can safely congregate in a positive social setting while bringing life to a district.
- As a board member of the BID #25 and #13, I collaborate well with colleagues and business leaders in order to achieve short and long term goals of our business district.
