To whomever this concerns  
In Pursuant to Case # 04-S-388

I Robert Holland SR. do wish to appeal the decision handed down by City Atty. Grant Langley + Steven Carini and am requesting a hearing. Also I have one question - in this letter denying my claim, you stated that the officers involved did remove the back of the stereo but didn't put it back. Now - pardon my expression, but, when in the Hell do the police have time, while conducting a raid, to take the time to remove the back of a stereo. Not only is this city - but the whole damn country just full of lies and shot to Hell. Everybody's trying to cover their asses - I think it's a damn shame!

Very truly yours  
Robert Holland Sr.

CITY ATTORNEY

To whom this concern;

on Sept. 30, 08<sup>PM</sup>, police broke into my sister's home at 2870 N. 4th St. and did hold them at gunpoint, while they ravaged her house. They were all made to lie face down on the floor, even my little niece - who was horrified by the incident, with pump shot guns pointed at their heads. They tore her house apart, breaking dishes, pictures, furniture, you name it! One police, my sister told me, even had the audacity to take one of her cups and spit in it, tobacco juice! I was indignant, but in their degradation of the house, in the Attic, all by itself, was a stereo - my stereo. Given to me by my wife as a birthday present. We had a hard time trying to get the stereo, first and foremost. Our payments was over a \$100<sup>00</sup> a month, for like some 18 months. We had a very hard time at times making those payments, but I vowed I wouldn't let my system go back. But, on this day, the police like, just busted up the system and my tower spks for no reason. It was like they just busted the speakers for the hell of it. I was devastated when I'd gone by my sister's house, went upstairs and saw my stereo system. I was so hurt - this stereo was one of a kind, sentimental. It was like hurricane Andrew had hit there. But she salvaged - we both did - what we could. All this they did, and whatever they was looking for never found it. All I want is a new system or have the city pay and have mine repaired. Thank you
