On August 10, 2021 around 9pm one of the City of Milwaukee trees fell on a house I own located at 3514 n 56th st. The City had a crew remove the tree within a couple days. It damaged one storm window, a section of rain gutter, the mailbox and a porch light. I enclosed two estimates for repairs. I do have pictures that could easily be emailed but could print and US mail if necessary. All my contact information is listed above.
