

# HOW TO VOLUNTEER FOR THE 2020 DEMOCRATIC NATIONAL CONVENTION

The Democratic National Convention is coming to Milwaukee from July 13-16, 2020. We need your help to make this **the best convention in history!**

## Why should I volunteer?

By signing up to volunteer, you will join a history-making team that delivers a positive experience to visitors, showcases Milwaukee to the world, and leaves a lasting legacy on the community. In addition, you'll have an opportunity to make new friends, learn new skills, and more.

## When can I volunteer?

There will be volunteer opportunities both in the months leading up to the convention and during the big event itself. Convention and pre-convention opportunities will occur at various times throughout the day, and, for some opportunities, you'll be able to sign up for the shifts that best align with your schedule.

## What type of time commitment should I expect to give?

The time commitment will vary depending on your volunteer role and availability. There will be opportunities to pitch in for a few hours and opportunities to volunteer every day during convention week.

## What would I be doing as a volunteer?

While every volunteer's experience will be different, categories may include the following:

- Administrative and Office Support
- Green Team (Sustainability)
- Hospitality and Hotel
- Operations, Logistics, and Delivery Support
- Press and Communications
- Social Media
- Technology and IT
- Transportation
- Venue and Event Support
- Volunteer Leaders
