Zoning, Neighborhoods and Development Committee  
Milwaukee Common Council

Honorable Members,

Please be advised that, on May 15, 2024, the Zoning Code Technical Committee met to review Common Council File Number 231418, an ordinance relating to various revisions to the Zoning Code. The Committee unanimously approved a motion finding that both Substitute 1 and Proposed Substitute A of the ordinance meet the three ZCTC review criteria: legality and enforceability, administrative efficiency, and consistency with the format of the zoning code.

Sincerely,

Jeff Osterman, Chair  
Zoning Code Technical Committee
