There is a possibility that your application may be denied for one or more of the following reasons: The recommendation of the committee regarding the application shall be based on evidence presented at the hearing. Per MCO 85-2.7-4, probative evidence concerning whether or not a new license should be granted may be presented on the following subjects: whether or not the applicant meets the municipal requirements, the appropriateness of the location and premises where the licensed premises is to be located and whether use of the premises for the purposes or activities permitted by the license would tend to facilitate a public or private nuisance or create undesirable neighborhood problems such as disorderly patrons, unreasonably loud noise, litter, and excessive traffic and parking congestion. Probative evidence relating to these matters may be taken from the plan of operation submitted with the license application, if any, but shall not include the content of any music. Evidence regarding the fitness of the location of the premises to be maintained as the principal place of business, including but not limited to whether there is an overconcentration of businesses of the type for which the license is sought; whether the proposal is consistent with any pertinent neighborhood business or development plans, or the location's proximity to areas where children are typically present. The applicant's record in operating similarly licensed premises; and whether or not the applicant has been charged with or convicted of any felony, misdemeanor, municipal offense or other offense, the circumstances of which substantially relate to the activity to be permitted by the license being applied for or any other factor which reasonably relates to the public health, safety or welfare may also be considered. See attached police report or correspondence.

Thanks very much for your help. Please do let me know when the hearing is for renewal as I paid the bully (\$55 plus \$8 to park plus a \$4 online 'convenience fee') so that I can get it off my mind as it sounded like I would end up being charged for it. Hopefully they can refund it. Once again, I don't think this is the kind of business practice the City should be behind. Thanks again,

As you may know, that parking lot is not owned or managed by the city. The land is owned by the State DOT and leased to a master tenant who in turn leases the lot to a private parking company—Interstate Parking. I will pass your email on to Interstate Parking.

I will enter your complaint into the licensing file for this parking lot since the city does license public parking lots. We will hold a hearing at renewal time and you can appear to express your complaint.

Hello Alderman Bauman,

I am sending you this email because I consider Milwaukee my hometown and visit the downtown area frequently, including to take the train to Chicago.

On Monday I paid \$8 for parking for the day at the parking lot that is just to the west of the Intermodal station. When I returned to my car at around 6:30 PM, there was a Notice on my car that stated that I had failed to pay for parking.

When I looked at my parking receipt, I noticed that the machine that took my payment did not accept the first digit I had entered and recorded my license plate number without the first digit.

I tried calling the parking company, Parking Revenue Recovery. The phone number they provide does not work. I emailed them my proof of payment and received an auto-reply stating that they would reply within 10 days. I am waiting.

I have heard about this company, and that I will end up being charged for this because technically, the machine did not have my license number correct.

They should need to prove then that I did not pay---vs. me needing to prove that I paid. I paid to park here!!!

Common sense will tell you that I paid and I should not have to pay to park \$8 plus another \$55 for their fine. This seems illegal. It also seems like they should do more to alert patrons of their practices or help customers to know when they may have entered a number incorrectly.

Ultimately, I can't ever trust this company not to rip me off again so I cannot park here again—Sturtevant will be my next choice.

Another thing to fear about Milwaukee.

Is this the way downtown Milwaukee wants to treat its visitors who invest in the downtown economy?

Anything you can do to help I will appreciate. I am a public employee who cannot afford to pay \$63 to park my car.

Thanks!

Hello Alderman Bauman, thank you again for your support last night – it was great to have you there and everyone was thrilled with your excitement for the project!

I wanted to also follow up on the following issue that you forwarded to us. We were testing an outsourced patrol service which we terminated yesterday to avoid this sort of occurrence happening again.

Thanks much for letting us know of these issues – it is very helpful!

Have a great weekend,

On first floor there are plans to have an open concept and removing the raised floor. There will be a DJ booth on the first floor with a more relaxed atmosphere on that floor for dining. On the second floor there will be an additional DJ booth and dance floor.

Security will monitor the crowd with counters at the doors located between each floor and exterior. The patio area will have seating and tables for dining. The applicant plans on updating and adding additional cameras. The office is located in the basement area along with storage. There are cameras located in the basement monitoring the hall. The applicant stated there is a large safe bolted to the floor. I was not able to verify the safe or cameras due to the applicant not having access at this time. There will only be two or three of the old employees remaining and the other staff will be newly hired.

This report is written by Police Officer David NOVAK, assigned to the License Investigation Unit, Days.

The Milwaukee Police Department's investigation regarding this application revealed the following:

1. On 12/27/2015, Milwaukee police responded to a complaint of loud music at Ugly's tavern (1125 North Old World Third Street). The officer was advised that the caller lived two blocks away and the bass from the music being played on the rooftop of the business was shaking his residence. The officer spoke to the caller and then did follow-up by checking CAD calls and found there had been eight calls for noise nuisances made from 09/16/15 to 12/27/15. On 01/09/16 the officer met with the caller, Mr. Kapella at his residence, 1113 North Edison to listen to the problem firsthand. The officer could faintly hear music being played while inside the residence. The officer went out onto the balcony and determined the music was coming from Ugly's. On 01/15/16 the officer met with the bar manager, Thomas Little to discuss several complaints of loud music emanating from the business by area residents. The officer reviewed the business license which stated "No music on exterior terrace". The officer stated there was uncertainty as to which portion of the terrace was considered exterior. The officer advised Little to adhere to Milwaukee ordinance 108-23(1)(b) pertaining to Outdoor Public Entertainment. While on scene, at 11:23pm, the officers received a complaint of loud music coming from the tavern. At 12:00am Little stopped the rooftop music and at 12:16am Kapella made complaint of loud music coming from the rooftop. Kapella was advised the music on the roof top had ceased at midnight, but he insisted that the bass level was excessive. Little lowered the bass level which satisfied Kapella.

2. On 01/02/2016 an officer discovered that someone had pulled the fire alarm inside the business at 1125 North Old World Third Street (Ugly's). The fire department was on scene and expressed concern that there was no audible indication inside the business that the fire alarm had been pulled.
3. On 01/01/2016 Milwaukee police conducted a tavern check at 1125 North Old World Third Street (Ugly's). During this check, officers were advised of a fight on the second floor of the business. One subject was arrested and cited for both disorderly conduct and resisting an officer.
4. On 01/26/2016 a meeting was held at City Hall regarding the noise nuisances at Ugly's tavern (1125 North Old World Third Street). Attending this meeting were representatives from the Milwaukee police department, the city attorney's office, the alderman's office, and the applicant along with Nathan Harris and Attorney Michael Maistelman. During this meeting, it was determined that the "No Music on Exterior Terrace" provision of the business's permit meant that the business was prohibited from playing music from both the exterior and enclosed portion of the rooftop.
5. On 01/31/2016 Milwaukee police conducted a tavern check at 1125 North Old World Third Street (Ugly's). Officers discovered a female inside the business that was holding a napkin to her lip and had blood on her right hand. The victim told officers there had been a fight inside the business between some guys and she had been punched in the face.
6. On 01/31/2016 Milwaukee police responded to a battery complaint at 1125 North Old World Third Street (Ugly's). Investigation revealed a patron had called police after being pepper sprayed by someone from the business's security while in the ladies room. The security officer told police he had used pepper spray in the ladies room to break up a fight. The caller, and two other patrons inside the ladies room at the time of the incident, told officers the fight had been resolved and felt the use of pepper spray by security was uncalled for.
7. On 02/18/2016 Milwaukee police, along with the Wisconsin Department of Revenue, conducted an investigation at 1125 North Old World Third Street (Ugly's Tavern). Eleven bottles of contaminated alcohol were discovered and disposed of.
8. On 02/22/2016 Milwaukee police investigated a battery complaint that occurred at 1125 North Old World Third Street (Ugly's bar) on 02/21/2016. The victim, Brittani Bauer, told officers she had been punched in the face about 15 times by an unknown subject while inside the ladies room in the business. Bauer also told officers she had reported this incident to security at the business and was told there was nothing they could do because she could not identify her assailant.
9. On 06/19/2016 while walking outside 1125 North Old World Third Street (Ugly's), a patron on the rooftop threw a glass bottle down onto the sidewalk. The sidewalk was crowded with pedestrians and officers, but no one was injured. This subject was identified and arrested for disorderly conduct.
10. On 07/23/2016 Milwaukee police were flagged down regarding a trouble with a subject complaint at 1125 North Old World Third Street (Ugly's). Investigation revealed an altercation had taken place inside the business and three females were now outside indicating a male that had been involved was still inside the business. Officers checked, but were unable to locate the described male. The females left the scene without supplying additional information.

While inside, the officers noticed several patrons that were dressed in a manner inconsistent with the posted dress code.

11. On 10/23/2016 at 1:04am officers observed a fight being pushed out of Ugly's, 1127 N. Old World Third St. More officers were called and the parties fighting fled on foot. The subject was upset because he was denied entry for a dress code violation. At 1:29am observed a fight in front. They found the previous subject had returned and was fighting with security. Old World Third St. The officers spoke with security who stated a subject was let out at closing. The subject wanted to get back inside believing he left his ID inside. The subject then left in a SUV. The bar has cameras outside but the manager could not access them at this time.

The manager told the officer the outside security cameras did not work.
16. On 08/28/2017 officers investigated a fight at Ugly's, 1125 N. Old World Third St. Two patrons of Ugly's got into a fight inside the bar. Bar patrons separated the parties. One of them grabbed a glass off a table and threw it at the victim who received a cut above her eye. Ugly's did not call 911 for medical attention and security pushed the parties outside and did not attempt to disperse them. Video surveillance was provided when requested.

17. On 09/09/2017 officers were dispatched to Ugly's, 1125 N. Old World Third St for a battery complaint. The caller was no longer on scene and the officer spoke with the manager, Tony REYES. While being escorted out the patron struck one of the security officers in the face with her phone causing his nose to bleed. The officer was advised the patron was at District one and wanted to file a complaint. The patron stated she was dragged out of the bar and security broke her phone. Important details for those wishing to provide information for the Licenses Committee to consider when making its recommendation:

1. The license application is scheduled to be heard at the above time. Due to other hearings running longer than scheduled, you may have to wait some time to provide your testimony.
2. You must appear in person and testify as to matters that you have personally experienced or seen. (You cannot provide testimony for your neighbor, parent or anyone else; this is considered hearsay and cannot be considered by the committee.)
3. No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are present at the committee hearing and willing to testify).
4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.
5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.)
6. You may then provide testimony.
 - a. Include only information relating to the above license application.
 - b. Include only information you have personally witnessed or seen.
 - c. Provide concise and relevant information detailing how this business has affected or may affect the peaceful enjoyment of your neighborhood.
 - d. If by the time you have the opportunity to testify, the information you wish to share has already been provided to the committee, you may state that you agree with the previous testimony. Redundant or repetitive testimony will not assist the committee in making its recommendation.
7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
8. Business Competition is not a valid basis for denial or non-renewal of a license.
Please Note: If you have submitted an objection to the above application your objection cannot be considered by the committee unless you personally testify at the hearing.

REDACTED RECORD

Milwaukee, WI 53202
Home: (414)

26 June 2019

City of Milwaukee
LICENSES COMMITTEE

Dear Aldermans Kovac, Coggs, Lewis and Dodd:

We attended the public hearing on Tuesday, 25 June 2019 on the renewal of the Class B Tavern and Public Entertainment Premises License for the Villa Filomena at 1119 N. Marshall Street to testify in support of their license renewal. Although we were sworn in to testify, we never had the opportunity before a separate motion was voted upon. Given the subsequent discussion at the hearing, it became obvious that a written letter was the most advantageous method of support.

As residents of the City Green Condominium building (1111 N Marshall Street) since 1 July 2013, our north-side, or unit directly faces Villa Filomena. We chose to live in an urban environment, different from our previous 25 years of suburban living. We have never had any issues related to the noise emanating from Villa Filomena during weddings, wedding receptions or parties generally taking place on Saturday afternoons or evenings. The music stops within the revised guidelines.

We live in one of the most attractive urban blocks within the city and Villa Filomena is an asset to the neighborhood. The building is beautiful and the landscaping is well maintained. Furthermore, we support small business and small business development within the city. The reception business at Villa Filomena was here before the City Green Condominium building and we support their right to operate.

To be clear, we have never set foot within Villa Filomena and only met the owners in the hallway just prior to the hearing. Additionally, our testimony and any other testimony heard from 1111 N Marshall Street residents reflect our individual opinions and not that of the City Green Condominium Association.

Thank you for your consideration.

Sincerely,

Dear License Committee Members, Ald, Bauman, and City Clerk Owczarski,

This Dropbox link is to a file containing three videos of the activities at the Villa Filomena, 1119 N Marshall St, on Saturday, June 15, 2019. If this link is not accessible to you, please let me know how I can share these videos.

<https://www.dropbox.com/sh/wgsn8ybyaryzuw4/AAAZOX0TRQ1de9EiB6wliTNWa?dl=0>

Two of these videos, recorded by me this evening around 10pm, show the attendees at an event at Villa Filomena screaming on the patio. The longer of the two also shows multiple attendees revving car engines on North Marshall Street and honking their car horns. I did not record the initial screaming and obnoxious behavior, which was clearly audible over our television with our doors and windows closed, believing it would be over quickly. When the noise continued for well over ten minutes, I recorded these videos from our balcony. (Please note that these videos were recorded using my cell phone, which is designed to record noise within a few feet of the phone and the noise recorded here was over 75 feet away.)

The third video, which my husband recorded this evening on his cell phone from our front lawn shortly after my videos, shows the patio doors are clearly open, violating the conditional approval of their Plan of Operation and Liquor License: "Ald. Kovac moved to amend the plan of operation to end outdoor music at 6 PM, windows and doors must remain closed while music is being played, must be responsive to neighbor complaints, and indoor music must be turned down at 10 PM, and end at 11 PM. (Prevailed 4-0) Ald. Kovac moved approval as amended with a warning letter based on neighborhood testimony. (Prevailed 4-0)"

We came to the License Committee last June at the Villa Filomena license renewal to ask for your help in getting this business that had once been a lovely addition to our neighborhood and that has been a serious nuisance over the past three- now four- years to adhere to the City of Milwaukee Noise/Nuisance Ordinances. Villa Filomena has repeatedly and blatantly violated the exact wording of your conditional approval this past year, and we feel that their Plan of Operation and Liquor License should not be renewed.

I look forward to attending your hearing on this matter. Please notify me in advance of when their renewal is on your agenda so that I can attend and testify.

Thank you,

Two of these videos, recorded by me this evening around 10pm, show the attendees at an event at Villa Filomena screaming on the patio. The longer of the two also shows multiple attendees revving car engines on North Marshall Street and honking their car horns. I did not record the initial screaming and obnoxious behavior, which was clearly audible over our television with our doors and windows closed, believing it would be over quickly. When the noise continued for well over ten minutes, I recorded these videos from our balcony. (Please note that these videos were recorded using my cell phone, which is designed to record noise within a few feet of the phone and the noise recorded here was over 75 feet away.)

The third video, which my husband recorded this evening on his cell phone from our front lawn shortly after my videos, shows the patio doors are clearly open, violating the conditional approval of their Plan of Operation and Liquor License: "Ald. Kovac moved to amend the plan of operation to end outdoor music at 6 PM, windows and doors must remain closed while music is being played, must be responsive to neighbor complaints, and indoor music must be turned down at 10 PM, and end at 11 PM. REDACTED RECORD

City Clerk -
License Division
City Hall Room 105
200 E. Wells Street
Milwaukee, WI 53202

To whom it may concern,

We are writing this letter to formally object to the renewal of the liquor license Villa Filomena (1119 N Marshall Street). My name is _____ and my wife (_____) and I live at _____ in Milwaukee.

Last year we appeared and testified at the Villa Filomena's renewal hearing. Their license was renewed over our objection, but it was subject to their agreement of specific terms set forth by the Licenses Committee. Specifically, the Licenses Committee amended the plan of operation to apply the following additional requirements: "...end outdoor music at 6 PM, windows and doors must remain closed while music is being played, must be responsive to neighbor complaints, and indoor music must be turned down at 10 PM, and end at 11 PM. (Prevailed 4-0)." Meeting Minutes, Licenses Committee, June 26, 2018.

Despite these clear restrictions, we continue to struggle with the noise generated by the Villa Filomena. We would like to bring a number of issues to your attention on these matters:

- **Violations of the Additional Requirements.**
 - On August 18, 2018, the noise level was excessive. We understand that a citation was issued with respect to excessive noise (Citation # J9817LCTST). Please note that a citation was issued only after _____ y contacted the Committee and Alderman Bauman to request a meeting with the committee and MPD. At that time, the Licenses Committee meeting minutes were added to the license and the Committee and/or Alderman Bauman asked MPD to issue a citation.
 - On September 22, 2018, the noise level was excessive. In addition, the Villa Filomena was playing music with the doors and windows propped open in direction violation of the additional requirements imposed by the Licenses Committee. We have photographic evidence of this violation.
 - On November 3, 2018 the noise level was excessive. Again, we asked the police to come to our condo to hear the noise. They arrived after 10:00 pm and the noise

REDACTED RECORD

level had been reduced between the time we called and their arrival. The officers agreed it was still too loud, but were reluctant to issue a citation until . . .

. . . printed out the Committee's restrictions for them, e-mailed them the link to locate the restrictions in the city system (they are extremely difficult to locate), and explained the restrictions to the officers. Villa Filomena staff attempted to tell the officers that they had a "special permit" that exempted them from the noise ordinance (which is untrue).

- We called the police to report the excessive noise on at least two other occasions. On one occasion we were told by dispatch a citation would be issued. In that case the responding officer called back and said he would not come out, but that he would call the owner and ask them to turn it down. The officer called back to say he left a voicemail. The music was never turned down. On another occasion, we were told by the dispatcher no citation could be issued because there were no officers available to respond.
- On two other occasions we did not call the police because we had guests and did not want to disrupt our evening further.
- **Lack of Cooperation, Hostility, and Threat of Legal Action.** In addition, we have found that the Villa Filomena personnel have not only failed to be cooperative, but they have become hostile and have threatened legal action against us personally. On September 22, 2019 we sent a text requesting that they close the doors and windows to mitigate the noise. We followed up with a second text requesting a response to the first text and included a picture of the open doors. We received the following response:
 - *"You realize that we're supposed to keep the doors closed at 10 o'clock not 9 o'clock as you probably prefer. If you continue to harass us we will take you to court. You are not allowed to harass our guests /employees. you are not allowed on our property from this point on. And I will have A restraining order to keep you off. Owner Tony Sanfilippo"*
 - Not only are these statements incorrect (e.g., the Licenses Committee's requirement to close the doors and windows applies whenever music is played), but they evidence a very hostile response to a simple request.
 - The "harassment" they are referring to was a friendly text asking for their doors to be closed. The text started with "please" and ended with "thank you". Our second text asked if there was someone else we should contact along with pictures of the open kitchen and patio doors. The response to those polite texts was a disproportionate threat of legal action.
 - Please note that we responded to the hostile communication with a quotation from the meeting minutes of the Licenses Committee that included the reference to the doors needing to be closed. Our goal was to be sure that they could not claim ignorance of the Committee's additional requirements.
 - After the threat of legal action, it became clear that they would not be cooperative. Accordingly, for subsequent noise issues we were effectively forced to reach out to the police every time, wasting their time and resources.
- **Villa Filomena's Failure to Take the Licenses Committee Seriously.** We have also reviewed the Villa Filomena's most recent request for renewal. We would note that under Section 4 ("Promoters/Sound Amplification") they have checked the box "Yes", indicating that they have amplified sound, but they have failed to describe the sound

REDACTED RECORD

amplification that they use (as required on the form). We expect that this omission is to deny us the opportunity to provide to the Licenses Committee more detailed evidence regarding the capabilities of their sound systems.

- Please recall that in years prior to our objection the Villa Filomena check the Sound Amplification box as "No", which was a false representation to the Licenses Committee.
- **Villa Filomena's Failure to Acknowledge the Limitations of their License.** In addition to lying to responding officers about having a "special permit" that exempts them from the noise ordinance, Villa Filomena has attempted to contest at least two noise-related citations that were issued. In both instances, we were unable to make court appearances due to work obligations.
- **History of Noise Complaints.** According to police records, the police have received 16 noise compliant calls prior to June of 2018 (including our own calls). Of those 16 complaints, 14 have occurred in the last three years. According to police records, these complaints have come from at least five other individuals, as well as from us. Those police records are enclosed. In our opinion, however, the complaints do not appear to have had any impact on the Villa Filomena's noise level.

Since the Villa Filomena is surrounded entirely by residential properties, we believe that they should be held to a high standard with respect to appropriate noise levels. More importantly, they have demonstrated an inability to adhere to the additional limitations imposed on them by the Licenses Committee and a hostility towards the local community. For those reasons, we oppose the renewal of any and all of their licenses.

Thank you for your assistance and consideration.

Ald. Bauman, thank you for your quick response.

I also wanted to share with you and the Committee a screen shot of a text exchange between our neighbor in 505 (fifth floor overlooking the Villa Filomena courtyard) and a. . . could clearly see the doors were open and requested they be closed because the noise in her condo was excessive. . . took over an hour to respond.

In addition to not limiting the volume or reducing the volume from 10-11pm, the text exchange and time stamps show the Committee's instruction to keep doors and windows closed while music is played and to be responsive to neighbors' complaints is being ignored.

Please let us know what action the Committee can take before the next license renewal.

Thank you,

Villa Filomena

Dear Committee Members,

On Tuesday, June 26, 2018,

and I along with [REDACTED] attended the hearing for the Class B Tavern License and Public Entertainment Premises License for Banquet Services, LLC (Villa Filomena) at 1119 N Marshall St. I felt the committee listened to all of us and that Ald. Baumann was a strong advocate. Betina (Tina) Sanfilippo at Villa Filomena has been very challenging to work with and I left the hearing hopeful that the threat of losing their license would result in better practices going forward.

At the hearing and per the minutes, a motion was made and passed (4-0) to approve the two licenses for one year with a change to the "plan of operation to end outdoor music at 6 PM, windows and doors must remain closed while music is being played, must be responsive to neighbor complaints, and indoor music must be turned down at 10 PM, and end at 11 PM."

Tonight, the music was again loud enough to be heard in my condo with the windows closed, the shades drawn, the drapes drawn, the TV on, the dishwasher running, and the washer and dryer operating. I texted Tina at 8:44pm and did not receive a response until 9:49pm. She turned down the volume briefly and I texted back saying it was "significantly better," but- as has been the pattern- it immediately became louder again and, when I texted back asking for the volume to be lowered, it was never lowered. Because of the delayed response, I called MPD and asked for an officer to be sent to my condo to verify the source of the noise and told the operator I would testify in court.

Officers Bungert and Ertl called and said they could not issue a citation because Villa Filomena has a permit that allows them to violate the noise ordinance. I challenged this and they researched the licenses. They came to my condo, agreed they could hear the music, and very politely explained that the licenses on file allow Villa Filomena to violate the noise ordinance. They also said that amplified music is allowed anywhere on the property until midnight according to the business plan and licenses on file. They showed me the licenses and applications, which do not note any of the stipulations included in the motion to approve the licenses. They could not issue a citation based on my recollection of the motion because it is not in writing and, unfortunately, I did not find your meeting minutes from the hearing until after the officers had left.

What needs to be done to correct this oversight on the licenses, plan of operation, and any other relevant documentation?

You may recall I shared with the committee that, when I first reached out to the Villa Filomena, I was told by Tina that they weren't subject to the noise ordinance and did not need to turn down their volume because they had a permit for their events; and that, after I spoke with Community Liaison Officer Klein, I had challenged this which resulted in Tina specifically telling me she would not lower music unless directed to do so by police because she "has a permit." At the hearing, I specifically asked the committee whether either of the two licenses allowed for violation of the noise ordinance and was told they do not. Tina from Villa Filomena was specifically told by Ald. Kovac that their permits have never and do not allow them to violate the city noise ordinance.

Given what the officers said, MPD does not agree with the committee's interpretation of the licenses as they relate to enforcement of the noise ordinance. [REDACTED] and I would like to meet with you and the appropriate MPD personnel to confirm that the officers and supervisors in this area have been properly trained in the application of the noise ordinance.

We also ask that this letter be considered a complaint requiring a hearing for the next license review for 1119 N Marshall St.

Thank you for your time and attention to this matter.

We had some problems with this venue in the past but no complaints in the last several years. It is essential that you attend the licensing hearing and muster as many neighbors as possible who share your concerns. The committee is very interested in hearing from residents who have personal knowledge of offending behavior and have some detail regarding that behavior such as dates, times, type of disturbance, etc. If there are records of when the police were called about noise issues this would be very helpful.

Subject: Liquor License and Noise Complaint Issue

Dear Mr. Bauman,

My name is _____ and my wife _____ and I live at _____, in Milwaukee. We would like your assistance with respect the noise generated by our next door neighbor, the Villa Filomena (1119 N Marshall Street). We moved into our home in 2013, knowing that the Villa Filomena was next door. For the first two years we did not have any serious noise issues. However, in 2015 we started to hear very loud music on many Friday and Saturday evenings. Initially we attempted to ignore the music. However, it is now routinely too loud for us to listen to our television (even with the heavy drapes closed and the washing/dryer running).

We have reached out to them personally on numerous occasions and have attempted to work with them on the subject. We have never gotten a satisfactory response. They have turned the music down for brief periods of time after we complain, only to turn it back up within 30 minutes. We have been gracious and patient, reaching out to thank them when they have a quiet evening – but this has not had a noticeable impact. They have suggested that we sound proof our condominium (at very high expense) and, more recently, have indicated that they would not take action unless we call the police.

After attempting to work with them on numerous occasions, we took their advice and turned to complaining to the police. We have worked with the local police officers, as well as the neighborhood liaison officer. According to police records, the police have received 16 noise compliant calls to that location in the last three years. This does not appear to have had any impact on the Villa Filomena's noise level.

We understand that the Villa Filomena's liquor license is up for renewal on July 25, 2018 and we would like to challenge that renewal based on a misrepresentation that they made in their previous application. Specifically, their application indicates that they do not use sound amplification (see item 4 of the Supplementary Application, attached). Not only have we experienced their use of sound amplification for at least three years now, I have personally seen the electronics in operation inside their property.

We do not take this step lightly, as we do not want to put them out of business, but when we realized that they obtained their liquor license under false pretenses, we felt a need to act. We will be filing a formal complaint against their liquor license through the normal channels. However, we also wanted to reach out to you to see if we can get your support in this matter.
