Good morning Ms. Dimitrijevic,

My name is Jay Paniagua and I have been living and now own property on Smith and Austin street for 65 years.

I am against the building of Austin Commons housing on Austin street. Obviously there is not enough room for it if you need a variance setback. There is not enough parking now on the streets on it gets even worst in the winter. This is a nice residential

area and does not need this. What about all the housing that they are building now on Beecher and Lincoln, are they all filled?

Why don't the developers buy the land on 1st and Lincoln, there is plenty of room there.

Thank You,
Jay Paniagua
