To the Public Works Committee

Subject: Common Council Resolution File Number 070585

Dear Honorable Members:

Returned herewith is the Common Council Resolution File Number 070585, being an amendment to a special privilege for change of ownership to Arnulfo and Ana Rosa Sosa for encroachment into the public right-of-way of three sets of entrance steps and for addition of a concrete platform and three excess door swings for the premises at 1901 West Grant Street, in the thirteenth aldermanic district.

Edwin Duzynski requested permission to keep and maintain three sets of entrance steps for access to the building. Permission for said items was granted in 1960 under Common Council Resolution File Number 60-318. During a field visit, it was also found that three door swings and a concrete platform encroach into the public right-of-way.

We are not aware that the presence of said items has had or will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will amend the ownership of the above special privilege and will formally allow said items to continue to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer
