(3) The requirements set forth in said detailed plan attached to this Common Council File as Exhibit A, constitute the zoning regulations for the area contained in such planned development district described, provided further, that the effect of the approval of such detailed plan is that such plan shall limit and control construction, location, use and operation of all land and structures included within the detailed plan to all conditions and limitations set forth in such detailed plan.

Part 2. Any persons, firm, company or corporation owning, controlling, or managing any building or premises wherein or whereon there shall be placed or there exists anything in violation of the terms of this ordinance; or who shall build contrary to the plans or
