

1. Describe the proposed ordinance or resolution.

Resolution to accept funding from DHS/CDC to complete project entitled, "PHEP-funded Laboratory Response Network for Biological Threats (LRN-B) Biological Sample Testing (LAB)."

2. Identify the anticipated equity impacts, if any, of this proposal.

It is anticipated that this project could improve public health emergency preparedness by maintaining testing qualifications and proficiency to participate in the Laboratory Response Network for Biological Threats (LRN-B), which supports passive and active surveillance when preparing for, responding to, and recovering from public health threats and emergencies.

3. Identify which minority groups, if any, may be negatively or positively impacted by the proposal.

It is unlikely any minority groups will be directly impacted by this proposal, either positively or negatively.

4. Describe any engagement efforts with minority communities potentially impacted by the proposal.

N/A

5. Describe how any anticipated equity impacts of the proposal will be documented or evaluated.

N/A

6. Describe strategies that will be used, if any, to mitigate any anticipated equity impacts.

N/A
