May 9, 2013

Honorable Members of the Zoning, Neighborhoods  
& Development Committee (ZND)  
City Hall, Room 205  
Milwaukee, WI 53202

Dear Aldermen:

On May 14, 2013, File No. 130053 regarding the creation of Tax Incremental District (TID) #79, North Water Street Riverwalk, will be heard before your Committee. This letter serves as a record that the Department of City Development (DCD) consulted with the Department of Public Works (DPW) on the possibility of funding paving projects within one half mile of the TID's boundaries.

On April 8, 2013, via email to Mary Dziejwiontkoski of DPW, Jim Scherer of DCD requested information on projects within the current paving program which were located within one half mile of the TID's boundaries. Ms. Dziejwiontkoski responded to Mr. Scherer on April 22, 2013, that at this time, no projects qualified for funding from this TID.

If you have any questions regarding this information, please contact Alyssa Remington, of my staff, at Ext. 5802.

Sincerely,

Rocky Marcoux  
Commissioner
