**Finance & Personnel Committee Approval Required
For Single / Sole Source Contract
Contract #E13557**

Background:

User Department:	Milwaukee Fire Department
Purchasing Agent:	Angelique M. Pettigrew
Contract Description:	Service Contract for Maintenance and Support and Data Storage related to the CAD System
Vendor Name and Location:	Integrated Data Storage, LLC, Chicago, IL 60602
Contract Term:	Three (3) from 12/01/2014 through November 30, 2017 with two (2) options to renew term for one (1) year
Requisition # and Date Received:	Req. 13557 received on 09/26/14
Original Contract Amount:	\$120,720.22

Purpose:

This is a maintenance and support contract of the Fire Department's NetApp Storage Solution, VMware Server Array and Cisco Servers that support the backbone infrastructure of critical servers that run the Fire Departments Emergency Dispatch and Records Management Systems. The department has exhausted all its options to extend the current contract, E11337, expiring on November 30, 2014. Therefore, there is an immediate need for the department to award a new contract before the current contract expires.

Background:

Integrated Data Storage, LLC is the existing vendor providing support for the two (2) systems mentioned and has specific knowledge and insight to the department's operations.
