

Aid Station Instructions: Post Race Clean Up Duties

1. Once all the runners have passed through aid station, begin cleaning up (as stated in previous section clean up should be continuous throughout race)
2. Please organize clean-up of aid station for easy pick up by the clean-up crew
3. Designate volunteers to trash duty
4. Designate volunteers to break down and stack tables
5. Designate volunteers to organize any unused materials and place inside Aid Station Blue Bin for pick up
6. A garbage truck will be following behind the last runner please dispose of any trash into the truck
7. If Aid Station Truck arrives before clean-up is complete help with re-loading unused material
8. Once all materials are organized neatly, volunteers are relieved from aid station

Advanced Disposal garbage truck will be contracted to follow behind the last runner and collect the trash generated at each station

At the start/finish line, we will have a private vendor along with Bucks staff handling the plaza and street.
