RE: "Title Only" Grant  
Resolution

Dear Mr. Zielinski:

This is to provide you with background information on the grant resolution that the Health Department would like to be introduced:

Tobacco Control Community Coalitions II Grant - This is new funding for the Health Department funded by the State of Wisconsin Division of Health and Family Services. The purpose of this program is to establish a broad-based community tobacco coalition to develop a strategic community plan in order to pursue the elimination of tobacco use.

As always, thank you for your consideration of this "title only" resolution. The file will be filled as soon as possible.

Sincerely,

Seth L. Foldy, MD  
Commissioner of Health
