The Honorable John Norquist
Mayor of Milwaukee
City Hall
200 East Wells Street
Milwaukee, WI 53202RE: USH 18/State Street and Wells Street
Connecting Highway Change

Dear Mayor Norquist:

We would be willing to work with the City on connecting highway changes for USH 18 between 11th Street and 35th Street. We will review operational studies for both State Street and Wells Street for the two-way conversion of these facilities. We need to incorporate any changes into the Marquette reconstruction very soon.

Please contact Donna Brown of the District 2 office to coordinate these activities.

Sincerely,
