To the Public Works Committee

Subject: Common Council Resolution File Number 080298

Dear Honorable Members:

Returned herewith is Common Council Resolution File Number 080298, which grants a special privilege to Palermathen LLC for a storm enclosure to encroach into the public right-of-way for the premises at 718 North Milwaukee Street.

Palermathen LLC is requesting permission to construct and maintain a storm enclosure for its entrance on North Milwaukee Street. The storm enclosure projects 3 feet into the 16-foot 6-inch wide east sidewalk area of North Milwaukee Street. There will be a door on the west side of the enclosure, which will help to control the climate inside the restaurant and, when open, will project an additional 3 feet into the sidewalk area.

We are not aware that the presence of said storm enclosure will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will allow said storm enclosure to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Jeffrey J. Mantes
Commissioner of Public Works

Martin G. Collins, Commissioner
Department of Neighborhood Services
