The Honorable  
Members of the Zoning, Neighborhoods and Development Committee

Honorable Members:

Pursuant to s. 295-307-7-b of the Milwaukee Code of Ordinances, the Zoning Code Technical Committee, on April 7, 2022, reviewed Common Council File No. 211435, an ordinance relating to zoning regulations for water treatment plants in industrial zoning districts.

Based on this review, the Committee found that the ordinance meets the criteria of enforceability, administrative efficiency, and consistency with the format of the zoning code. The Committee also determined that further research is required to ensure that the proposed ordinance meets the criterion of legality and enforceability.

Respectfully Submitted,

Teodros W. Medhin, Ph.D.  
Chair, Zoning Code Technical Committee
