DEPARTMENT STRUCTURE

MATERNAL & CHILD HEALTH

KEY HIGHLIGHTS

BOMB Doula Program

- Hired a second program coordinator to support expansion and client demand
- Awarded the Maternal Innovation Grant to design a DAD Doula program focused on increasing father engagement during pregnancy, birth, and beyond

Strong Baby and Safe Sleep Programs

- Transitioned the Cribs for Kids program to the Safe Sleep Milwaukee program, which employs harm-reduction model for those in need of a Pack 'n Play
 - 493 clients served, a 30% increase from 2023

ENVIRONMENTAL HEALTH

KEY HIGHLIGHTS

Emergency Preparedness Environmental Health (EPEH)

- Enhanced data tracking by updating existing platforms to improve incident reporting and epidemiological monitoring
- Led department-wide mass dispensing trainings to ensure RNC readiness

Home Environmental Health (HEH)

- Strengthened enforcement through multi-agency collaboration, increasing reinspection fees and citations upheld in favor of MHD
- Expanded contractor capacity, finalizing agreements with seven new lead abatement contractors through the RFP process

CLINICAL SERVICES

KEY HIGHLIGHTS

Communicable Disease (CD)

- Responded to a significant increase in pertussis cases, completing follow-up on 88 confirmed cases
- Rapidly responded to a case of Hepatitis A in a food handler, launching vaccination clinics for potentially exposed individuals

Sexual and Reproductive Health (SRH)

- Expanded services to include Hepatitis C screening and Doxycycline Post-Exposure Prophylaxis (DoxyPEP)
- Stabilized Disease Intervention Specialist (DIS) staffing linked 92% of individuals newly diagnosed with HIV to care within one month

Milwaukee Health Department Laboratory

- Hosted the National Biowatch Program during the RNC
- Expanded the lab's testing capacity by **adding Flu and RSV** to the MHD Wastewater Dashboard as well as providing **new Hepatitis C testing** at Keenan Sexual Health Clinic

POLICY, INNOVATION, & ENGAGEMENT (PIE)

KEY HIGHLIGHTS

- Led the Public Health Surveillance Workgroup for the Republican National Convention, developing a Surveillance Concept of Operations Plan in partnership with local, county, and state stakeholders
- Introduced MHD's inaugural Racial Equity Report to the Board of Health in October 2024, aligning with broader efforts to advance equity in public health practice
- Advanced departmental performance management by working with divisions to establish Key Performance Indicators (KPIs) aligned with program goals and community outcomes
